Summary

National Scenic Trails in the United States.

Description

National Scenic Trails in the United States. The data used to create this map is a representation of the trails and in many cases an approximation and may not represent the exact location of the trails. National Scenic Trials shown represent physical hiking trails, however many sections may still be in the design or planning stage and not yet complete. Always consult the official source for the most up-to-date information.

Use limitations

This data is for general reference purposes only and is not intended for navigational purposes or any sort of detailed planning. The data presented here are not legal documents and should not be treated as such. The National Park Service, USDA Forest Service, Bureau of Land Management, and all associated partners provide no warranty, expressed or implied, as to the accuracy, reliability, or completeness of this data. Please reach out to the appropriate contact at each trail if you are interested in obtaining a map or planning any kind of work on or near these trails. Also please be aware that many parts of these trails are on private land. Showing this data does not provide any authorization, expressed or implied, to cross private lands. Please be respectful and do not trespass.

Extent
West -124.732828 **East** -68.921516
North 49.064140 **South** 25.857118

Scale Range
Maximum (zoomed in) 1:5,000
Minimum (zoomed out) 1:150,000,000
